

SEPM International Sedimentary Geosciences Congress II

Defining the Critical Role and Impact of Sedimentology in a Sustainable Future

15–17 June 2026

Colorado School of Mines, Golden, Colorado, USA

SEPM Code of Conduct

SEPM (Society for Sedimentary Geology) is an international Society dedicated to the dissemination of scientific information on sedimentary Geology.

SEPM encourages open and respectful dialogue at all Society's activities. SEPM promotes, provides, expects, and endorses a professional and respectful atmosphere and values a diversity of views and opinions.

The Society is dedicated to providing a harassment, intimidation, and discrimination-free experience for everyone, regardless of race, color, religion, sex (including pregnancy), sexual or gender orientation, national origin, age, disability, appearance or genetic information. The Society does not tolerate harassment of individuals attending or participating in the Society's activities in any form.

If you are the subject of unacceptable behavior or have witnessed any such behavior while attending an SEPM event, please immediately notify SEPM leadership (i.e., an SEPM Council Member or SEPM staff, SEPM course instructor or SEPM trip leader) who is on-site in person so that immediate action may be taken.

Please follow up by officially reporting on the behavior. This can be done by email or phone. Contact information can be found at <https://www.sepm.org/Council> or <https://www.sepm.org/Staff>. It is very important that an official complaint report be filed so the appropriate follow up can be done by SEPM. If no official complaint is filed, SEPM cannot do any follow up on the incident.

SEPM 2026 Council

SEPM Society for Sedimentary Geology is governed by these elected officials, who volunteer their time

| | |
|-----------------------------|----------------------------------|
| President | Lesli Wood |
| President-Elect | N/A |
| Secretary-Treasurer | Kyle Straub |
| Sedimentology Councilor | Theresa Nohl |
| Paleontology Councilor | Linda Ivany |
| Research Councilor | Hilary Corlett |
| International Councilor | Victorien Paumard |
| Web Councilor | Matt Johnston |
| Early Career Councilor | Celeste Cunningham |
| Student Councilor | Emily Hauf |
| PALAIOS Co-Editors | Soren Jensen & Andrew Bush |
| JSR Co-Editors | Stephen Kaczmarek & Dustin Sweet |
| Special Publications Editor | Amy Weislogel |

ISGC II 2026 Program Committee

| | |
|--------------------------|------------------|
| Cody Miller | Tracy Frank |
| Morgan Sullivan | Lesli Wood |
| Lisa Stright | Mary Carr |
| Chelsea Mackaman-Lofland | Doug Edmonds |
| Diana Ortega-Ariza | Zane Jobe |
| Michael Blum | Patrick Sullivan |
| Rebecca VanderLeest | |

SEPM Staff

- ◆ **Howard Harper**, SEPM Executive Director 918.808.6985 cell
- ◆ **Theresa Scott**, Associate Director & Business Manager 918.808.6615 cell
- ◆ **Michele Tomlinson**, Managing Editor, SEPM Publications
- ◆ **Cassie Turley**, Deputy Business Manager
- ◆ **Melissa Lester**, Managing Editor, JSR
- ◆ **Kathleen Huber**, Managing Editor, PALAIOS

Meals at ISGC II

- Ice Breaker — Monday 17:00–19:00 Green Center - Friedhoff
- AM and PM breaks in Green Center - Friedhoff and lunches at the Mines Market (your meeting badge is your lunch ticket) for all registered attendees.
- Mines Market is also the place for people in Maple Dorm rooms to get the included breakfast.
- Mines Market summer hours:
 - Breakfast 7 am – 9 am
 - Lunch 11:30 am – 1:00 pm
 - Dinner 4:30 pm- 6:30 pm

Meeting Rooms at ISGC II (see map below)

- All plenary talks will be held in the Green Center – Friedhoff
- Technical sessions will be held in these rooms – please check the session schedule for specific locations:
 - Green Center – Metals
 - Green Center – Petroleum
 - Berthoud - # 241

Parking at CSM (see map below)

Please note that campus parking is paid Monday through Friday from 7:00 AM to 5:00 PM. Parking is free after 5:00 PM and on weekends. Additional parking information can be found at the link below.

<https://parkingoffice.mines.edu/visitors/>

Visitor Parking

Visitor parking is indicated in purple on the Campus Parking Map. Visitors can park in visitor spaces or regular spaces in any Blue lot. Pay-by-cell or pay station options are available for visitors to purchase a daily parking permit for the duration of their visit. Daily parking rates for Visitor and Blue lots are \$10.00 per day before 2:00 pm and \$5.00 per day after 2:00 pm; rates for lots J, K, F, AA and A are \$2.00/hr or \$10.00/day.

Pay-by-Cell

Mines offers ParkMobile as a pay-by-cell option for all visitors. Go to app.parkmobile.io/zone/start or download the ParkMobile application on your mobile phone. You will be prompted to create an account and add your vehicle information. Then you will need to enter the four digit zone number for the lot you parked in. The zone numbers are located on the yellow and black ParkMobile signs in each lot. At any time, if your visit is unexpectedly extended, you can extend the amount of time needed to continue parking in the lot. For assistance, please contact the Parking Department at (303) 273-3100.

Pay Stations

Pay station locations are indicated by orange dots on the Campus Parking Map. Our pay stations accept cash (no coins) and cards, but they do not give change. Using a pay station in a **Blue** lot will allow you to park in any **Blue** lot, parking garage, campus street, and Mines Park residential area. Report pay station errors to the Parking Department at (303) 273-3100. Campus parking maps are available at all of the pay stations to help guide you around campus.

RESTRICTED AREAS

Daily, and Blue permits are not valid in faculty and staff Reserved lots, indicated in **red** on the campus parking map. Parking in fire lanes, no-parking or loading zones, service spaces, or handicap spaces (without a valid handicap placard) is strictly prohibited.

Campus Map with ISGC II Meeting rooms, Lunch location, and blue parking areas.

Schedule At A Glance

Saturday, 13 June 2026

- FT02—The Cretaceous–Paleocene Raton Basin
- SC01—Application Driven Core Analysis: Essentials of Core Description Using EasyCore—Berthoud 243

Sunday, 14 June 2026

- FT01—Paleolandscapes of the Colorado Front Range
- SC01—Application Driven Core Analysis: Essentials of Core Description Using EasyCore—Berthoud 243
- SC02—Exploration and development of geothermal energy in Sedimentary Basins—Berthoud 205
- Registration Opens: 12:00–4:00 pm—Friedhoff Lobby

Monday, 15 June 2026

- Registration Opens: 7:30 am–5:00 pm—Friedhoff Lobby

MAIN CONFERENCE

Monday, 15 June 2026

| | |
|-------------|---|
| 08:20–09:00 | Lesli Wood Welcome Keynote—Friedhoff 1 |
| 09:00–10:00 | Technical Sessions—various |
| 10:00–10:20 | Morning Break—Friedhoff 1 |
| 10:20–11:20 | Technical Sessions—various |
| 11:20–12:05 | David Mohrig Plenary—Friedhoff 1 |
| 12:05–13:40 | Lunch—Mines Market |
| 13:40–15:00 | Technical Sessions—various |
| 15:00–15:20 | Afternoon Break—Friedhoff 1 |
| 15:00–17:00 | Student Poster Session—Friedhoff 2 |
| 17:00–20:00 | Icebreaker and Scott Tinker Plenary—Friedhoff 1 |
| 18:00–19:00 | Scott Tinker Presentation |
| 19:00–20:00 | Drawings for Fabulous Prizes |

Tuesday, 16 June 2026

| | |
|-------------|---|
| 08:20–09:40 | Technical Sessions—various |
| 09:40–10:00 | Morning Break—Friedhoff 1 |
| 10:00–11:20 | Technical Sessions—various |
| 11:20–12:05 | Jeff Lukasik Plenary—Friedhoff 1 |
| 12:05–13:40 | Lunch—Mines Market |
| 13:40–15:00 | Technical Sessions—various |
| 15:00–15:20 | Afternoon Break—Friedhoff 1 |
| 15:00–17:00 | Early Career Poster Session—Friedhoff 2 |
| 17:00–18:00 | Sedimentary Petrology Research Group—Green Center–Petroleum |

Wednesday, 17 June 2026

| | |
|-------------|--|
| 08:20–09:40 | Technical Sessions—various |
| 09:40–10:00 | Morning Break—Friedhoff 1 |
| 10:00–11:20 | Technical Sessions—various |
| 11:20–12:05 | Lorena Moscardelli Plenary—Friedhoff 1 |
| 12:05–13:40 | Lunch—Mines Market |
| 13:40–15:00 | Technical Sessions—various |
| 15:00–15:20 | Afternoon Break—Friedhoff 1 |
| 15:00–17:00 | Professionals Poster Session—Friedhoff 2 |

Thursday, 18 June 2026

- SC03—From floccules to facies: Mudstones!—USGS Core Center
- SC05—Using sandstone petrology and petrography—Berthoud 401
- FT03—Green River Formation: Carbon Sequestration in an Eocene Hothouse
