Manuscript Formatting

1. Manuscript needs to be submitted as double-spaced, left adjusted text.
2. Title: Upper and lower case
3. Authors: Upper and lower case. Do not use italics.
4. Abstract: Type the word "Abstract:" (no quote marks) on the same line as the first line of the actual abstract.
5. First order header: Type in ALL CAPS, with one space above and one space below the header.
6. Second order header: Type in Upper and lower case, with one space above and one space below the header. Each major word is capitalized. Do not use italics.
7. Third order header: Type in Upper and lower case, with one space above and one space below the header. Each major word is capitalized. Type a period and dash (.-) after the last word in the third header. Do not use italics.
8. References: Type all references in Upper and lower case. DO NOT TYPE AUTHOR NAMES IN ALL CAPS. No space between two consecutive initials. (Smith, J.R., not Smith, J.<space>R.)
9. Captions: Type in Upper and lower case. Place all figure captions and table captions at the end of the article (after the References), in the same file.
